

Frontier Communications Named a Preferred Solutions Provider of AEG

November 28, 2018

Strategic Alliance Expands Frontier's West Coast Reach

LOS ANGELES--(BUSINESS WIRE)--Nov. 28, 2018-- AEG, the world's leading sports and live entertainment company, announced today that Frontier Communications Corporation (NASDAQ: FTR) has been named one of the company's preferred solutions providers. The strategic alliance between AEG and Frontier highlights the companies' shared commitment to delivering world-class service and the best integrated communications solutions to respective clients.

"Innovative telecommunications services are vital when it comes to creating transformational customer experiences, and Frontier Communications represents a top company in the space," said Senior Vice President and Deputy Chief Information Officer Vince Saavedra. "We're proud of this alliance and honored to have them named as a preferred solutions provider."

"AEG's selection of Frontier Business as a preferred solutions provider reinforces our position as a market leader, and we look forward to the strategic growth opportunities this alliance provides Frontier," said Frontier Communications' Executive Vice President and Chief Customer Officer John Maduri. "We are pleased to align with AEG, a world-renowned organization."

As a preferred solutions provider, Frontier Business will have the opportunity to introduce its innovative solutions and services across AEG's network of partners and assets with an emphasis on the greater Seattle and Los Angeles markets.

As a leading telecommunications provider to business and residential customers, Frontier operates in 29 states and its network infrastructure supports some of the largest manufacturers, retailers, public safety organizations, and governmental entities across the country.

About Frontier Communications: Frontier Communications Corporation (NASDAQ: FTR) is a leader in providing communications services to urban, suburban, and rural communities in 29 states. Frontier offers a variety of services to residential customers over its fiber-optic and copper networks, including video, high-speed internet, advanced voice, and Frontier Secure® digital protection solutions. Frontier Business™ offers communications solutions to small, medium, and enterprise businesses. More information about Frontier is available at www.frontier.com.

ABOUT AEG: Headquartered in Los Angeles, California, AEG is the world's leading sports and live entertainment company. With offices on five continents, AEG operates in the following business segments: **AEG Facilities**, which is affiliated with or owns, manages or consults with more than 200 preeminent arenas, stadiums, theaters, clubs and convention centers around the world including The O2 Arena, the Sprint Center and the Mercedes-Benz Arenas; **AEG Presents**, which is dedicated to all aspects of live contemporary music performances, including producing and promoting global and regional concert tours, music and special events and world-renowned festivals; **AEG Real Estate**, which develops world-class venues, as well as major sports and entertainment districts like STAPLES Center and L.A. LIVE; **AEG Sports**, which is the world's largest operator of sports franchises and high-profile sporting events; and **AEG Global Partnerships**, which oversees worldwide sales and servicing of sponsorships including naming rights, premium seating and other strategic partnerships. Through its worldwide network of venues, portfolio of powerful sports and music brands and its integrated entertainment districts, AEG entertains more than 100 million guests annually. More information about AEG can be found at www.aegworldwide.com.
